| In re Application of | : | |
| Xin Jin, et. al. | : | |
| Application No. 10/615,089 | : | ON PETITION |
| Filed: July 8, 2003 | : | |
| Attorney Docket No. H10230/CFR | : | |

This is a decision on the petition under 37 CFR 1.137(b), filed on October 29, 2007, to revive the above-identified application. The delay in responding is regretted.

The application became abandoned for failure to timely file a proper reply to the final Office action mailed March 14, 2007. A Notice of Abandonment was mailed on October 12, 2007.

The instant petition is not signed by an attorney of record. However, in accordance with 37 CFR 1.34(a), the signature of Carl F. Ruoff appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party on whose behalf he acts.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) under 37 CFR 1.114, with the \$810 filing fee; (2) the petition fee of \$1,540; and (3) a proper statement of unintentional delay. Therefore, the petition is **GRANTED**.

This application is being revived for consideration of the RCE filed on October 29, 2007.

The application file is being referred to Technology Center Art Unit 1795, for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the previously submitted amendment.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
